

On-Demand Burst Staffing Platform for Quick Turnaround Projects

Clarification Questions – November 14th

Important Note – *The answers below are from the sponsoring institution only. Applicants should consider these, but are highly encouraged to explore and hypothesize demand beyond just the sponsoring institution for this platform (i.e other institutions, other businesses, etc) if crafting a cross-institutional vision.*

~What Software does the institution use for:

- **Project Planning** – *Excel*
- **Accounting/Financial** – *Lawson (Infor)*
- **Payment System** – *Lawson (Infor)*
- **CRM Software** – *Jenzabar (not integrated with Lawson)*
- **Contracting/Procurement tool** – *Manual/PO in Lawson*

Is there a current database for hosting all vendors/suppliers and if so what is it run upon?

Through Lawson (Infor), but no rating is applied

~Has social medial been used to recruit staffing/volunteers

No

~Preference for on-premise or cloud hosted solution

No

~Will the institution require single sign-on capabilities?

No

~Are there minimum browser requirements?

No
